

Daniels Wood Land Inc. Tour

Please join your fellow HET friends on the way to the All Cal Meet in San Simeon for a special tour of the Daniels Wood Land facility, site of the Animal Planet television show "Redwood Kings."

If you haven't seen it, there will be a new 2-hr. episode on this coming Friday night at 8:00 p.m.

The crew builds a gigantic medieval workshop for the biggest amusement trade show in the world,

making this their most ambitious build ever.

Check it out or set your recorder!!

Below is their website and a local newspaper article for more information:

We'll meet and park at the wood yard, 320 Marquita Ave., Paso Robles, and our tour time is 3:00, so it will be right on most people's way to the coast. There will be a few of us that are going down on Wednesday that will be driving over from the Lodge on Thursday if you plan to arrive early.

(Word has it that there's a pretty good brew pub next door too,
but you didn't hear that from me! ;>))

There's no cost for this tour, but if you will let me know if you plan to join us at gldkarma@aol.com, I'll let our Hudson member Mark know how many to expect.

Look forward to seeing you all soon!!
